**PURPOSE/BACKGROUND:**

The RDA entered into an Owner Participation Agreement (OPA) on September 18, 2002, to provide Tax Increment Financing (TIF) to compensate for public improvements constructed by World Market Center as part of the project. Taxable tax increment subordinate lien notes have been issued on the first and second completed building. The third building and garage are now complete. Staff has determined that the developer is in compliance with the terms and conditions of the Owner Participation Agreement. The term of this note is for the remaining term of the original Note, which is June 2025. The principal amount of the Note for the garage has been calculated to be \$2,663,073 with an annual payment of \$262,619 paid from Available Accrued Taxes from the Project. Approval of the original OPA by Council in 2002 allows the TIF Note process for this project to move forward.
